View from the Hill

How strange several circumstances are! To say Happy New Year in February for one. Alan has some insights to share, so please read his article in this magazine about that.

Then, for me to envision a month without seeing you in the parish communities is very odd. However, all being well, I'll be able to welcome callers, telephone calls and answer emails as usual, in February, at the Peak Five Vicarage (contact details inside back cover of this magazine). Weather permitting, you're welcome to call in for a cuppa, chat and relax while I recover from the amazing operation for a new hip. Isn't medical technology fascinating? Well I think it is. Of course, not infallible, doctors can transform our lives where previously I might have had to retire, stay at home, and completely change my lifestyle, facing years of pain. Of course, there are many conditions where there is not yet any hope of treatment, and even a prospect of a shorter life.

The word 'transform' has a resonance for Christians, as we believe that Jesus Christ has transformed us through time. Not only our past through forgiveness and taking away guilt and burdens, our present by walking alongside us showing us the possibility of abundant and loving life, and our future, with the prospect of resurrection to eternal life when we die. Quite a transformation.

That transformation in the present is helped along by the effort we all make to use kind and encouraging words, actions and prayers, contributing to the needs of the world, as we each can in our circumstances. Forgiving others contributes to the transformation of the past. We may not be able to forget, but leaving God to be the judge rather than harbouring ill will, speaking harsh words or taking revenge relieves us of that stress, freeing us up for life itself. Worries about our future are natural, but too much time spent worrying steals away the NOW moments, with friends, family, community, work, leaving us drained and stressed. Now I know that none of these things are easy to do; I have faced each of these many times, but I am getting better at following Jesus' invitation to Trust God. I sometimes mention some of my own experiences in sermons to illustrate how it can take time to grow in realising the transformation that knowing God brings.

Just as my hip and leg will take time to heal after the pretty brutal (but skilful) surgery, so I take time to heal from life's hurts. I'll have a scar on my leg, just as my heart and mind carry scars.

Looking forward, the period of Lent is moving towards us offering a time for reflection. We will be offering a few opportunities for readers of this magazine to set time aside to explore and perhaps deepen our understanding of that Transforming Love that Jesus brought to the world, first as a baby, then as a man; in the manger, and on the cross. This, for me, is a strange time in between Christmas and Easter. However, the Churches are busy, preparing the Electoral Roll, getting ready for the Annual Meetings, and reaching out into our communities to show God's love to all, residents, workers, visitors. Carry on Transforming while I'm not around in person please!

NOTICES FOR FEBRUARY

Morning Prayer

Apologies for missing the advertised Morning Prayer at the end of January.

There will be Morning Prayer on Wednesday February 6th and Monday February 18th at St Leonards Church, Thorpe.

Fitzherbert Primary School meet every Monday in term time in St Edmunds Fenny Bentley at 8.50 am and you are welcome to join the congregation.

While I am convalescing at home, please continue to pray for our parishes, deanery Diocese and the Church in the world; those in need, bereaved and suffering, and for our churches and communities. All usual services will take place while Rev Carollyn is off this month. Please do consider coming to your church; visiting vicars and readers will bring their own perspectives, there are some new services to share, some traditional services and some with more modern styles; as we focus on caring for each other and thanking God for His blessings, in hard times and good times alike.

Vicar's van

For February at least, the Vicar is not able to bring the van to the villages! I am able and hoping to hear from you by telephone or email, so do keep in touch. If you would like a home visit, please contact Carollyn, there are people who can support you.

Electoral Roll

In 2019 we will be drawing up a new Electoral Roll. Even if you are on the Roll now, you will need to join afresh. Please think if you would like to take that step to belong to your local church. You need to be over 16, baptised, and then look at the criteria below, and see if you can join us!

Living in the Parish and a member of the Church of England (or a church in communion with the Church of England). Not resident in the Parish but a member of the Church of England (or a church in communion with the Church of England) and has regularly attended worship in the Parish during the six months prior to enrolment or a member of good standing of a church which subscribes to the doctrine of the Holy Trinity and are prepared to declare themselves a member of the Church of England, having regularly attended worship for 6 months prior to enrolment. We will be working on this at the next round of Parochial Church Council meetings (Church management committee). To be an elected member of that committee you need to be on the Electoral Roll. The Rolls will be finalised in the weeks leading up to the Annual Meetings held in April each year. All residents of the parishes are welcome to attend their Annual meeting, and Electoral Roll members can vote. (The Electoral Roll numbers are NOT now used to calculate the Common Fund (the money paid to our Diocese to fund the clergy and Support Teams who help them.)

If you would like to ask about this (it seems complicated!) please ring Carollyn on 664132. If you would like to be Baptised (Christened), please ring too!

Peak Five – Pondering in the Peak

I'm not sure about you but I find it difficult to say 'happy new year' to everyone given that for some it may be far from happy for various reasons. I would rather simply greet you in this New Year, in the knowledge that we know the God of love who will travel with us in all that life brings in 2019 and beyond.

One thing I seek for 2019 is that I might hear God's voice more clearly. Unsurprisingly, that requires me to spend more time listening rather than doing all the talking! We can of course, hear God's voice in so many different ways...through the beautiful landscapes in our Benefice, a caring word from a friend, the sounds of the countryside on our farms, in our rivers and wildlife. Yet, I am increasingly convinced that we can also hear God's voice when we intentionally set aside time out of our busy lives to be in a quiet and comfortable space and discover the presence of God.

So, were planning to try this out in the manner of Taizé, originating in the village of Taize, which lies in the southern part of Burgundy, France, Taize worship is a type of worship that reaches out to all people of faith and to those seeking faith.

If you're someone who has always thought about coming to church but feel it's a big step then try Taize. You can simply come into church in quiet, find a seat, no one will disturb you and it's a great way to find peace, direction, explore faith and the deeper questions of life.

Another characteristic of Taizé worship is a kind of repetitive prayer set to simple musical lines, so that even I can sing them! That said, there is no obligation to sing or do anything, other than simply sit in God's presence and listen for God's voice.

I will be leading our first 'taster' Taize at St Peter's Church in Parwich at **10am on Sunday 17th February** and you're very welcome to come along and see what it's all about, and we hope that Taize will be part of our worship in the future - maybe at other parishes in the benefice. Even if you think that this is not for you, I urge you to come along and give it a go...you might be surprised at how much you enjoy it, I was.

Rev'd Alan

St Leonard's is listening in 2019

St Leonard's church in Thorpe has agreed to take some time in 2019 to listen to the community using a Mission Action Planning process developed by the Church of England. Oh no, I hear you cry, it's another one of those things that clergy love to do and make life much more difficult than it needs to be! Well, let me try and explain what a Mission Action Plan (MAP) offers:

- A MAP is all about listening to God, to the community, each other, and ourselves.
- It's not about *doing* any more than we already do, but rather, it provides an opportunity for a church to take a step back and reflect.
- In fact, a MAP might result in doing less, or at least in some areas, changing what we already do, or simply discovering that some things should be kept just as they are.
- A MAP helps a church look at the past, and present, to engage positively in the future.
- By the end of a MAP process a church will be able set priorities for the next 5 years which will help guide the church to support a flourishing and vibrant community.

So, St Leonard's is listening! We will be consulting the community in various ways in 2019, so if you hear the word MAP or someone says to you 'St Leonard's is listening' asking for your thoughts...you know why, and we look forward to hearing from you.

Group Community Fire Safety – February 2019

Check on less-able loved ones.

We encourage carers and those living near less-able family members, neighbours and friends to check that their homes have enough working smoke alarms in the right places.

- Make sure there is at least one smoke alarm on every level of your home. At this time of year, many will be thinking of what they can do - big or small - to make a fresh start and improve their lives, homes and wellbeing.
- A smoke alarm can offer vital protection for you and your loved ones, but most people simply fit and forget - they don't check if the smoke alarm might be coming to the end of its lifespan.
- A smoke alarm can give someone the few extra seconds they need to escape in a fire. While the majority of homes across the country now have an alarm fitted, most people are not aware that **the average smoke alarm has a lifespan of just ten years** after which it needs replacing.
- Derbyshire Fire & Rescue Service can offer vital assistance and advice.

Chimneys, open fires and stoves.

As the cold spell continues we rely more on our heating appliances. The main reasons for a chimney fire are, infrequent sweeping and cleaning, the burning of unseasoned wet wood, improper appliance size and overnight burning or smoldering for long periods in wood burner. Sweeping will also mean that any nests, cobwebs or loose brickwork which could obstruct the chimney are removed.

If you are offered a leaflet when you purchase anything to do with open fires or wood burners, please take the time to read it - it could save your life.

"Top tips":

- Always use a fire guard to protect against spitting hot embers.
- Make sure that the fire is put out before going to bed or before leaving the home.
- Don't store wood near wood burners or open fires.
- Make sure you have a carbon monoxide detector.
- Choose the correct sized appliance for your room.
- If using a wood burner, always follow the manufacturer's recommendations

Electric Blanket Safety Advice.

As the cold weather spreads across the country through the Winter months, many people will be dusting off their electric blankets ready for use. But be careful, don't risk a fire. Electric blankets account for over 5000 fires a year in the home and you can prevent these by taking some simple steps.

Electric Blanket danger signs.

- Fraying fabric
- Scorch marks
- Exposed elements
- Creasing or folding
- Soiling
- Damp patches
- Tie tapes damaged or missing
- Worn flex
- Loose connections.

If your blanket or any part of the wiring shows any of these danger signs, you should have it checked or replaced.

An old BEAB safety mark – a round symbol (the new sign is white capital letters on a black background). This means it is more than 10 years old.

Use and Store your blanket safely.

Storing your blanket in the correct manner will ensure you get the best from it.

- Always follow the manufacturer's instructions.
- Don't fold electric blankets – it can damage the wiring. Better to roll them.
- Or you can store blankets by putting them on a spare bed.
- Electric under blankets can be left on your bed all year if you wish.
- Never use an electric under blanket as an electric over-blanket, and vice versa
- Keep all blankets flat
- Tie electric under blankets to the bed or mattress – this stops them slipping and creasing, which could damage them.
- Only leave a blanket switched on all night if it has thermostatic controls for safe all-night use. Otherwise switch it off and disconnect it before you get into bed
- Don't get blankets wet, and if your blanket does get wet, don't use it.
- Never switch it on to dry it.

Please note: The fire and rescue service are not qualified electricians and therefore unable to test electric blankets. Electric blankets will need to be tested by a competent electrician with the correct qualifications to do so.

Make sure your blanket is tested by a competent electrician at least every three years. You can ask the shop where you bought it from about testing and servicing, or contact the trading standards department at your local council – they sometimes have free testing days. It is important that your Electric Blanket receives regular 'safety checks'.

- Derbyshire Fire & Rescue recommend that if you have to replace it a 'fleece topper' is a far better option and safer.

If you require any further advice on any of the items covered in this article please call the Fire & Rescue Service on 01773 305305

An extract from 'A Country Church' by Francis Duggan.....

*Here in this little country church
Where peace has found a home
I am the only person here
Though happy on my own.*

*Rows of timber seats spotless clean
An altar gleaming white
And window glass stained blue and green
Take glare out of sunlight.*

*Somewhere in the world today
A new born baby cries
And somewhere on a battlefield far, far away
A wounded soldier dies.*

*How come we the human breed
Cannot live in peace together
Is it jealousy or greed
That makes us fight each other?*

*Silence and peace t'would seem to me
Has found a place to hide
In a little church by wooded hill
In peaceful countryside.*

*I've found something in here
I've never found before
Something that may disappear
When I walk out the door.*

RECIPE

Passion Fruit Pudding

125g (4oz) unsalted butter, melted, plus extra to grease
4 ripe passion fruits
75ml (3 fl oz) whole milk
2 medium eggs
225g (8oz) sr flour
75g (3oz) caster sugar
Finely grated zest of 1 orange
Icing sugar to dust

For the sauce

75g(3oz) caster sugar
1tbsp cornflour
150ml(5 fl oz) whole milk
75ml (3 fl oz) orange juice, freshly squeezed if possible

1. Preheat the oven to 180C (160C fan) Mark 4 & grease a 1.5 litre (2 ½ pt) ovenproof serving dish. Halve the passion fruits & scoop the pulp into the prepared dish.
2. Mix the melted butter, milk & eggs in a jug to combine. In a medium bowl, mix the flour, sugar & orange zest. Add the milk mixture & stir until just combined. Spoon into the prepared dish, on top of the passion fruit pulp, & smooth to level (trying to keep the pulp under the batter).
3. To make the sauce, mix the caster sugar & cornflour in a bowl. Sprinkle evenly over the cake batter. In a jug, mix the milk & orange juice (it will curdle). Pour this over the sugar mixture to cover.
4. Bake for 45 minutes or until a skewer inserted into the centre of the sponge comes out clean. Dust with icing sugar & serve with cream or ice cream.

FITZHERBERT SCHOOL NEWS – February 2019

In early January our Key Stage 2 children travelled to Sheffield to take part in the Young Voices Choir. It was an amazing evening with over 5,000 children taking part and it was thoroughly enjoyed by the children and all the parents and friends who had travelled to Sheffield to see the event. Some video clips of the event can be found on our school Facebook page.

Whilst the older children were in Sheffield our Key Stage 1 children took part in a gymnastics event at QEGS, giving them the opportunity to try activities and also meet and mix with children of the same age from other surrounding schools.

On the 23 January we had a very special visitor in school - 16 year old Kurts Adams, an Elite Canoe Slalom Athlete with Team GB. Kurts was an excellent example of achieving a dream and being the very best at what you do and the children enjoyed an inspiring afternoon with him.

Our children will be taking part in World Book day on the 7 March, the children will be asked to dress up like a character from their favourite Julia Donaldson or David Walliams book, the children will then talk about the character and why they have chosen them.

If you would like any more information about any of the events mentioned then please get in touch, tel. 01335 350362 or more information about school can be found on our website:

THE LITTLE STRANGER

Oscar-nominated Irish director Lenny Abrahamson's horror mystery is an adaptation of Welsh novelist Sarah Waters' 2009 gothic novel of the same name. He soon finds that the ghosts surrounding the Ayers family (*Charlotte Rampling, Ruth Wilson, and Will Poulter*) have bearings on his own past. The Hall has been home to the Ayres family for more than two centuries. But it is now in decline and its inhabitants - mother, son and daughter - are haunted by something more ominous than a dying way of life. When he takes on his new patient, Faraday has no idea how closely, and how disturbingly, the family's story is about to become entwined with his own.

February 2019

A monthly snapshot of Church of England life around Derbyshire

The Dean of Derby writes...

Last month, Downing Street announced the appointment of the new Bishop of Derby. After a careful process of discussion, prayer, and discernment, we are thrilled that the Right Reverend Libby Lane is coming to be our bishop. Bishop Libby was the first woman to be appointed a bishop in the Church of England when she became Bishop of Stockport. Her roots are here in Derbyshire, and we are all very much looking forward to welcoming her home and working with her in the months and years ahead.

The arrival of a new bishop can and should be about much more than a change of personnel. It presents us with an opportunity to think afresh, about who we are and who we hope to be, about the opportunities and challenges that face us as we move forward. These are questions of identity, of purpose, of vision.

Proverbs 29:18 says, "Where there is no prophecy, the people cast off restraint." More memorably, the King James Version renders the same verse, "Without vision, the people perish." In our day and age, almost every organisation has some kind of vision statement. That can be a helpful crystallisation of focus which aids prioritisation, although in and of itself an aspirational vision statement may not accomplish much. And people who work for organisations that have lots of vision but

not much strategy for delivery can soon find vision wearing. But I think Proverbs means more than this. It's not so much whether we have a vision statement. It's more about whether we have a clear sense of who we are and where we are going, the kind of future we are working for. And the modern translation which refers to 'prophecy' reminds us that as Christians our sense of purpose and direction should ultimately be discerned and discovered in God, not created by us out of our own imaginations.

The first months of new episcopal leadership will inevitably entail some kind of reflection together on these things, as we seek to discern where God may be leading us next and what kind of church he is calling us to be for the sake of his mission here. This is important work, and I look forward to seeing how that takes shape.

But the first weeks of a new year provide a spur for me to think through similar questions for myself. Who am I?, and who am I becoming? What is God calling me to do and to be? Where do I sense the work of God in my life? What kinds of practices will enable me to grow in Christlikeness during the coming year? Can I invite you to join me in giving time and prayer to these questions and others like them at the start of 2019, that we might be ready to prayerfully engage with them for our life together?

The Very Revd Dr Stephen Hance
Dean of Derby

Important - Preparation of New Electoral Roll in all parishes

The Church Electoral Roll is the foundation for all Church governance. It contains the names & addresses of everyone who can vote at the Annual Parochial Church Meeting (APCM) and is revised every year

Every six years a new Electoral Roll must be prepared, this is the case for 2019.

To be on the Electoral Roll a person must be baptised, at least 16 years old, and either:

- Living in the Parish and a member of the Church of England (CofE) (or a Church in communion with the CofE)
- Not resident in the Parish but a member of the CofE (or a Church in communion with the CofE) and has regularly attended worship in the Parish during the six months prior to enrolment, or
- A member in good standing of a Church which subscribes to the doctrine of the Holy Trinity and they are prepared to declare themselves a member of the CofE, having regularly attended worship during the six months prior to enrolment

A notice of the new Electoral Roll must be displayed near the main door of every Church in the Parish at least two months before the

APCM and must stay up for at least 14 days. Announcements should be made in Church during the 14 days that the notice is up to say that the Roll is being prepared.

The PCC must ensure that reasonable efforts are made to let everyone on the old Roll know that a new Roll is being prepared. It is important to note that members of the previous Roll need to fill in applications (no one is automatically included). New people may also apply by filling in an application for enrolment.

The new Electoral Roll must be complete on a fixed date between 15 and 28 days before the APCM and posted near the main church door at least 14 days before the APCM.

This is only a brief overview to give some general information, however full details (including a downloadable PDF presentation) are available on the Diocese of Derby website under "Church Admin" and then selecting "Church Information".

Thy Kingdom Come 2019

On the next page, we are delighted to share a letter from the Archbishops of Canterbury and York, inviting all to pray "Thy Kingdom Come" from Ascension Day (Thursday 30 May) to Pentecost (Sunday 9 June 2019).

Bishop Jan is encouraging churches to consider what one thing they might do in order to be part of Thy Kingdom Come in 2019.

In 2018, many churches in the Diocese held dedicated services, created prayer stations and hosted events to pray "Come Holy Spirit".

We are hosting 2-hour Thy Kingdom Come workshops in February and March in Ashbourne, Swadlincote, Newbold and Littleover, where you can review resources and learn more about how you and your church can get involved. More details on www.derby.anglican.org/training.

We will share more details of Thy Kingdom Come in the coming months, in the meantime, resources are available to download for free from www.thykingdomcome.global.

THE CHURCH
OF ENGLAND

January 2019

Dear Brothers and Sisters in Christ,

Thy Kingdom Come – Thursday 30 May – Sunday 9 June 2019

We are writing at this Epiphanytide to invite you to join us in praying 'Thy Kingdom Come' in the period between Ascension Day and Pentecost.

After the very first Ascension Day the disciples gathered with Mary, the mother of our Lord, constantly devoting themselves to prayer while they waited for the outpouring of the Holy Spirit at Pentecost. Like them, our reliance on the gift of the Holy Spirit is total – on our own we can do nothing. This is why through the centuries Christians have gathered at that time to pray for the coming of the Holy Spirit.

'Thy Kingdom Come' picks up this tradition. Over the past three years more and more worshipping communities have rediscovered the riches of this tradition and have dedicated the days between Ascension and Pentecost to pray 'Come Holy Spirit'. We are praying that the Spirit would inspire and equip us to share the Good News of Jesus Christ with our friends and families, our communities and networks. It has been amazing how many varied ways there have been in which people from every tradition have taken up this challenge. The effects have been remarkable.

So once again this year we are asking every Christian in every worshipping community to join us in praying for the renewing and empowering presence of the Holy Spirit. It is our prayer that those who have not yet heard the Good News of Jesus Christ and his love for the world will hear it for themselves, and in faith respond and follow Him. Specifically, we again invite each and every Christian across the country to pray that God's Spirit might work in the lives of 5 friends who have not responded with their 'Yes' to God's call.

Whether you have joined in 'Thy Kingdom Come' before or not, we invite you to take part this year – along with churches from over 65 different denominations in 114 countries around the world.

We have produced a wide range of different resources for use at home or at church; alone or with others; for large events or small, to encourage and equip churches with ideas of how this might work in your own context. There are resources for liturgical services and prayer rooms; beacon events or prayer walks; for families or individuals. They are available to download free at ThyKingdomCome.global.

If there is something that you need but cannot find please get in touch with the team and they will do all they can to help you. We want to ensure that there are a wide variety of resources - something to meet the needs of everyone. Equally, if you want to do things in your own way locally, please go ahead. The essential thing is to pray.

Together let us pray 'Thy Kingdom Come', trusting the faithfulness of God.

Come, Holy Spirit.

COFFEE MORNINGS

On December 19th we had an enjoyable Coffee Morning when quite a lot of people joined us. As well as coffee and biscuits we were treated with sherry and mince pies made by Julia and Midge.

The charity to benefit from our donations was the *Salvation Army* which does such wonderful work throughout the year, but particularly at Christmastime. As a result of all our donations a cheque for **£124.50** was sent to their fundraising department.

A letter has been received from Lieut-Colonel David Kelly on behalf of the Salvation Army to thank us sincerely and deeply for our 'wonderful donation – a great gift we have made with our support for the Salvation Army'.

He wrote in his letter: 'This really is our busiest season. Our Salvation Army officers, staff and volunteers work flat out for weeks, and we wouldn't want it any other way! Our caring ministry is our joyful task every day, all year, but Christmastime is when loneliness is at its worst, hunger is cruel, poverty can be grinding and the biting weather can make the streets a killer for people when the pavement is their home. Christmas and winter are our busiest time because for many, it is sadly the worst time. Our commitment, our calling, is to serve and support the people who need us most, what we offer are practical services and support, given always with a big heart.'

On January 16th we had another very pleasant Coffee Morning which was reasonably well attended. The charity to benefit this time was *Derbyshire Dales Careline* which provides a telephone service on a daily basis to many people who live alone, who may be disabled and need someone to make contact with them and provide help if required. It is very much appreciated by those who receive the calls. A cheque for **£60.00** has been sent to them. Thank you so much everyone.

Future Dates: February 20th and **March 20th** both Wednesdays in the Village Hall as usual between 10.30 am and 12 noon. The charity to benefit from any donations on February 20th will be the local *Air Ambulance Service*. Please do come along!

Unapproved Minutes

Minutes of Thorpe Parish Council held on Tuesday 22nd January 2019 at 7.30pm in Thorpe Village Hall

Present: Councillor A. Bock (in the Chair)
Councillors W. Smith, D. Belton, A. Wager, C. Carr
5 Parishioners

1084. Apologies

None.

1085. Declaration of Members Interests

Councillor C. Carr – Peak Park.

1086. Minutes

The minutes of the meeting held on 13th November 2018 were approved.

1087. Ongoing Matters

- Village website – Whilst Councillor A. Wager is retiring he will look after the website until 2020. However it would be worth being proactive in anticipation of this to change the domain site and also the format to be simpler to use.
- Closure of public conveniences – Nothing to report.
- BT Telephone Box – Quotes to be sought for redecoration in the spring.
- Potholes/road maintenance – The roads continue to deteriorate especially Digmire Lane and at some point resurfacing will be needed rather than pothole repairs.
- Flooding on Digmire Lane/Hall Lane – This issue does not help the condition of the road especially as the verges are saturated due to lack of drainage.
- Parish Council Elections – As three Councillors are retiring, replacement Councillors are required. The vacancy is to be advertised on the notice board. A Notice of Election is to be displayed on the notice board on 19th March 2019. A Statement of Persons Nominated is to be displayed on 4th April 2019 and a Notice of Election (if contested) to be displayed from 12th April 2019.
- Grounds Maintenance for 2019 – C. Challinor confirmed the price will remain at £1,732.50 plus VAT.
- Peveril Hill BT works/broadband – Contractors are currently installing fibre in the verge of Wintercroft Lane. Details are still vague as to where it will stop and when fibre will be available, but the good news is that work is taking place.
- Proposed telephone pole at the end of Church Lane – Nothing to report.

1088. **Finances**

Cheques issued/payments approved: £60 - Thorpe Village Hall

Monies received: None

Balance sheet up to 22nd January 2019: Current account - £2,864
Deposit account - £1,054

Precept for 2019/20 – We have not spent as much this year as expected partly because the budget included expenditure for repainting the telephone box and repairs to stone walls which will be carried forward to the forthcoming year. It was therefore agreed to hold the precept at the current level of £2,250. Therefore the precept has not increased for the last four years.

1089. **Planning**

Nothing to report.

1090. **Correspondence**

All general correspondence has been circulated to the Councillors.

1091. **Date of next meeting**

7.30pm on Tuesday 7th May 2019 at the Village Hall.

1092. **Other Matters**

- It was reported at the last meeting that a tree had fallen across the footpath at the rear of Church House. The County Council had been informed twice. They had informed us that the footpath was now passable - this work has been undertaken by C. Challinor on his own initiative. A further adjacent tree is dangerous, and the County Council have been informed.
- The double white lining of the A515 at the Tissington junction will be undertaken by the end of March 2019.
- The footpath sign needs to be re-erected on the road up to Coldwall Bridge
- Severn Trent have undertaken some works on Spend Lane. Their contractors have left rubbish and they have been notified.
- There have been short power cuts in the village. This has been rectified in the last 2 days. There was a branch on the cables near to the transformer on Stoney Lane.

Cllr Bock expressed his thanks and gratitude to Cllrs Wager, Smith and Carr who have served the Parish so well over the years.

Meeting closed at 8pm.

Discussion Points:

- There have been Area Community Forums taking place; one of the subjects for consultation was bin collections. Sir Richard updated the councillors on the progress so far. The new contract for bin collections take place in 2020, and that there will be changes and the current cost are unsustainable. This may include frequency of collection or an extra cost option. No decisions have yet been made. The clerk shared the dates of the forums several time on face-book and displayed the poster in the village notice board.

Date of next meetings: Village Hall, 7.30pm General meeting: 4th February 2019
