View from the Hill

Why do we always start our conversations with the weather, and then we often go on to talk about our physical health?

We have formulas; the way we interact, the usual topics of conversation, sometimes safe, not contentious, polite and companionable. Are we sometimes guarded, defensive, and too private, keeping inside things that might get out of proportion or become a great worry? If we are blessed there might be someone we can share these thoughts and feelings with.

My job is to go straight in, as soon as I can, with Spiritual matters, the wellbeing of the soul, or our spirit, as we face the difficult weather, and the challenges of physical health! How are our relationships, how are we coping with the uncertainty of Brexit, of finances over the demands of a commercialised Christmas which is looming? There should be no topic taboo with a vicar. Death? The meaning and purpose of life? Bereavement and grief? Loneliness and depression? Any of these topics a priest cannot give physical advice, but can reflect on God's love for us all, and His messages and promises for us in the Bible of reconciliation, blessing and forgiveness. I want to be a good listener, and sometimes there isn't much needed to be said, just to be there in times of trouble. Sometimes I do have contacts that can help with practical side of life, and with the agreement of the person I'm talking to, can help. I bring my experience from my previous life too, in business, in organisations and with people.

It is wonderful also to get involved at joyful times in life – times that celebrate the key stages of life – birth, marriage, celebration of community life. I am always touched when I am involved in a community event; that you invite me, and even ask me to pray a grace, or hand out cups and awards, or help with the washing up now I can stand for longer periods of time! We're continuing with our small groups too, in Tissington, Parwich and Thorpe, perhaps you'd like to try that out. Everyone's questions and views are valued.

I pray every day for our parishes. In the week I'll be walking around, with my dog Scamp, and driving to deliver weekly parish newsletters, visit people quietly, and lead Morning Prayer at 9.00 am inside the churches. This month I'm able to bring the Vicar's Van around too, so I'm looking forward to the wonderful views, spending time and hopefully putting the kettle on for visitors. The dates are in this magazine.

I am here, as your Priest, for everyone who lives and works in the parishes, not just the regular churchgoers. Do get in touch if you think I can help.

***Au Revoir* from Rev'd Alan**

After over 4 years as a curate I finished serving in the Peak Five at the end of September. I'm now completing a portfolio which will be presented to the Diocese in January 2020 so that I can be signed off and the Church of England can be re-assured that the last 4 years as a curate and 3 years at theological college have been worth the investment. All of you in the Peak Five might be a better judge! And so, I wait to discover where and what I do next.

I would like to take this opportunity to thank everyone in the Peak Five Benefice for their welcome and support; it has been a pleasure being with you for the past 18 months. In what has been a relatively short time, I have learnt so much and enjoyed some new experiences. I've met some wonderful people who are fully committed to their communities and certainly make the villages in the Peak Five vibrant places that are full of life.

This isn't quite goodbye, but more *Au Revoir* given that I continue in my role as Agricultural Chaplain 4 days a week travelling all over Derbyshire to connect with the farming community. So, you may see me passing through the Peak Five on my travels.

I'm also coming back to **Thorpe Village Hall on **Thursday 28th November at 7pm** to share my recent experience in Israel. I joined a 10 day seminar looking at the history of antisemitism organised by the Council of Christians and Jews at *Yad Vashem*, the holocaust museum in Jerusalem. All are welcome to come and join the evening.

Bible Study

Advent starts on Sunday 1st December, so next month's magazine will be too late to start us off on our 'waiting' time for the joyful celebration of Christmas Day! I plan to place some resources into our churches to help you, and I hear from the Archbishop of Canterbury that a Follow the Star booklet is coming this year once more. That gave a short daily reading and picture to contemplate, from Christmas Eve through the 12 days of Christmas.

I think we could start before then, and provide a counter to the commercialised build up, which is well on its way in October!

These reflections are from Ruth Burgess' book Hear my Cry, Wild Goose Publications, 2005.

Isaiah 43:5 Do not be afraid – I am with you! From the distant east and the farthest west, I will bring my people home.

We pray - O Gatherer, seeking your people in the cities and the wilderness: come put Your arms around us and bring us safely home.

Questions to consider - Where have you experienced home? Think about what home means for you. Imagine yourself being at home in the loving arms of God. Relax and feel secure.

Psalms 145:18,19. God is near all those who call. God hears our cries.

We pray - O child of the manger, totally dependant on Joseph and Mary: come and show us our vulnerability, our need for hugs and smiles.

Questions to consider - Reflect on your own vulnerability. Try to give lots of smiles, and if appropriate, hugs today.

Isaiah 35:3 Give strength to hands that are tired and to knees that tremble with weakness.

We pray - O Lover of the little ones, their guardian and defender: Come with your angels and cradle Your children, and guide their stumbling feet along the homeward road.

Ideas to consider - Be in touch with your own tiredness. Try to breathe in the energy of God. Pray for the little ones in your community. Pray for those who stumble.

Stained Glass Windows

As we continue our tour of the five churches, looking at their windows, I come to Tissington. St Mary's is an ancient church, with signs of the worshippers, patrons and building maintenance over hundreds of years. Many people come to see the beautiful story of Noah's Ark, the rainbow arching over the land, now drying, showing God's promise. The East window, behind the altar (always!) brings us close to Jesus as He offers us the bread and wine in remembrance of all He did for us, opening the door of Grace to heaven, to Father God in prayer, and to everlasting life.

But the windows I most notice at St Mary's are the clear windows, made of ancient glass, set in those thick stone walls, held by skilfully applied lead. Through those old windows we can see the estate, its trees, grasslands, and sometimes even the livestock. We can see passing rambles, visitors to the tea rooms, and locals going about their business. We can see little children arriving at the kindergarten, and ducks wandering around the village before returning to the pond. We can see the Fitzherbert's Hall, built with solid stone, a place of hospitality and patronage over generations.

Those clear windows let in the light so we can read our Bibles and hymn books, see to set flowers in their vases, see to clean the pews and floors, see to greet each other. The windows provide a frame for life. This is the life blessed by God, as we pray month on month in the church, for our community, for our country and for God's world. Everything we do comes under God's care, from the smallest, insignificant action to the most generous and life affirming moments.

I know that St Mary's provides a dry space for many visitors and locals every day of the year. Opening the church buildings is a gift, thank you to all those in each of our churches in our Benefice who clean & tend, lock and unlock day by day, to make them accessible and welcome, places for people to meet with our Gracious and Loving God.

Peak Five; Five Year Framework

Greetings to you all.

At the end of September, the Peak Five churches held a special morning to discuss the future for the group. We thought about how we might work together, relying more on each other's strengths, experience and also to gather more often for worship. We thought about how to listen to our communities; our villages.

- ❖ We heard about how Thorpe church had sent a questionnaire (Ministry Action Plan) around the village, to listen to what was important to neighbours, and what was important to the congregation.
- ❖ We heard about Carsington Deanery, some statistics and trends in our area, and also about our new Bishop who is settling in and also listening to the County, her churches and the needs of her flock.
- ❖ We thought hard about the buildings we have inherited from generations of Christians, how we use their shelter, history, and the limitations presented in their facilities and accessibility, and use them for other community purposes?
- ❖ Could we be adventurous and make some of our services different to provide opportunities for different people to come?
- ❖ How can we provide support to our neighbours in times of crisis, sickness or need?
- ❖ Are there people in the congregations who would like to get more involved in the services – leading prayers, leading worship, reading the Bible?
- ❖ Could others be invited to join our PCC Management Committees?
- ❖ How can we support community groups?
- ❖ Are there people who experience a call from God to something that would benefit from some training?

There were many questions that we need to return to consider. And some questions we might ask our wider communities, as Thorpe did in the summer. Most of all we try to hear where God is leading us. There's a famous saying – "see what God is doing and join in". We can see in so many ways how God works through each of us where we are, through worship, through the Bible, through fellowship, and we also know that there is much mystery that we cannot understand or see any meaning about.

The Strategy Group will meet again in the winter to analyse the many helpful and constructive ideas. We will follow up that Away Day morning in the spring.

Thank you everyone who attended. Please keep praying for this time of opportunity to deepen our discipleship and share the Good News; with Christmas coming, a perfect opportunity to share “The Reason for the Season”!

USE EMAIL SAFELY

- Do not open emails which you suspect as being scams.
- Do not forward emails which you suspect as being scams.
- Do not open attachments from unknown sources.
- **If in doubt, contact the person or organisation the email claims to have been sent by ... better safe than sorry.**
- Do not readily click on links in emails from unknown sources. Instead, roll your mouse pointer over the link to reveal its true destination, displayed in the bottom left corner of your screen. Beware if this is different from what is displayed in the text of the link from the email.
- Do not respond to emails from unknown sources.
- Do not make purchases or charity donations in response to spam email.
- Don't click on 'remove' or reply to unwanted email.
- Check junk mail folders regularly in case a legitimate email gets through by mistake.
- When sending emails to multiple recipients, list their addresses in the 'BCC' (blind copy) box instead of in the 'To' box. In this way, no recipient will see the names of the others, and if their addresses fall into the wrong hands there will be less chance of you or anybody else receiving phishing or spam emails.
- Similarly, delete all addresses of previous parties in the email string, before forwarding or replying.
- If you are suspicious of an email, you can check if it is on a list of known spam and scam emails that some internet security vendors such as McAfee and Symantec feature on their websites.
- Most Microsoft and other email clients come with spam filtering as standard. Ensure yours is switched on.
- Most spam and junk filters can be set to allow email to be received from trusted sources, and blocked from untrusted sources.
- When choosing a webmail account such as gmail, Hotmail and Yahoo! Mail, make sure you select one that includes spam filtering and that it remains switched on.
- Most internet security packages include spam blocking. Ensure that yours is up to date and has this feature switched on.

If you have lost money as a result of a phishing email, or via any other fraudulent activity

Report it to Action Fraud, the UK's national fraud reporting centre by calling **0300 123 20 40** or by visiting **www.actionfraud.police.uk**. If you are in Scotland, contact Police Scotland on 101.

Group Community Fire Safety – November 2019

Now we are into the cooler weather here are a few facts and tips to keep you safe:

Heating your home.

Central Heating Systems

- Have your Boilers, Fires, Flues and Cookers inspected and tested by a 'Registered Service Engineer'.

Open fires

- Be careful when using open fires to keep warm. Make sure you always use a fire guard to protect against flying sparks from hot embers.
- Make sure embers are under control and properly put out before you go to bed.
- Keep chimneys and flues clean and well maintained.

Heating your home (portable heaters)

- Do not use extension leads for portable heaters.
- Always unplug electric heaters when you go out or go to bed
- Try to secure heaters against a wall to stop them falling over.
- Only use gas or paraffin heaters in well-ventilated areas.
Heaters consume oxygen so you could suffocate if a room is not properly aired.

Using electric blankets

- Unplug blankets before you get into bed, unless they have a thermostat control for safe all-night use.
- Store electric blankets flat, rolled up or loosely folded to prevent damaging the internal wiring.
- Have your Electric Blankets tested every 3 years by an approved Contractor.
- Replace your blanket when it is more than 10 years old

If the electricity fails

Be prepared. Keep a torch and batteries handy, where you can find them.

Alternative lighting

- If you have to use candles or matches always take special care. Make sure candles are secured in a proper holder and away from materials that may catch fire – like curtains.
- Put them out completely before leaving the room or going to bed.
- Use a snuffer or a spoon to put out candles. It's safer than blowing them out when sparks can fly.
- Keep a mobile phone handy so you can still make an emergency call if there is a power cut.

Bonfire and Firework Displays

If you cannot attend an organised display and intend to go ahead and hold your own bonfire party, the Derbyshire Fire & Rescue Service asks that you follow the attached safety advice:

- ❖ www.derbys-fire.gov.uk/keeping-safe-outdoors. Will give you vital information.
- ❖ **What does the Law say?**
 - Fireworks cannot be let off between 11pm and 7am.
 - Except Bonfire Night when they can be let off until midnight. And special occasions- New Years Eve, Diwali, and Chinese New Year, when the curfew ends at 1am the following day.
 - It is illegal for anyone under 18 years of age to buy or carry fireworks.
 - Throwing or setting off fireworks in the street is also illegal.

Safety Guidance.

- Only responsible adults should deal with fireworks
- Keep fireworks in a closed metal box and take them out one at a time
- Follow the manufacturer's instructions on each firework. Read the instructions by torch light and not a naked flame and always buy fireworks from a reputable source
- Light fireworks at arm's length using a safety firework lighter or fuse wick.
- Stand back after lighting.

- **NEVER** go back to a firework once lit, it may go off in your face
- Keep a bucket of water handy
- Collect used fireworks with care, douse with water and bury them or place in a metal container
- Keep children under control
- Keep pets indoors
- Take care with sparklers – young children should not handle these
- **NEVER** throw fireworks
- **NEVER** keep them in your pocket

If you wish to build your own bonfire please follow this guidance:-

- Site the bonfire well away from houses, garages, sheds, fences, overhead cables, trees and shrubs and well away from your fireworks
- Don't pile your bonfire too high, rather keep adding to it to keep the size reasonable – much less chance of it getting out of control that way.

When lighting the bonfire please follow these safety tips:-

- Before lighting, make sure there are no animals hiding inside
- Be careful when building the bonfire, so it does not collapse once lit
- Don't burn foam filled furniture, aerosols or tins of paint or bottles
- **NEVER** ever use flammable liquids – paraffin or petrol – to light the fire
- Keep everyone, especially children, away from the fire.

In case of an emergency.

- In case of emergency, have a mobile phone available to call the emergency services.
- Keep buckets of water, a garden hose or a fire extinguisher ready.
- When the party is over, pour water on the embers before leaving.

RECIPES

Pumpkin Scones

40g butter
200g pumpkin flesh, cut into small pieces
225g self raising flour, plus extra for dusting
1 tsp baking powder
1 handful grated cheddar cheese
1 small handful fresh coriander
4 tbsp milk, plus extra for brushing

1. Preheat the oven to 200C/fan 180C/gas 6. Grease a baking sheet.
2. Put the pumpkin pieces in a saucepan with enough water to cover. Bring to the boil & simmer for 10 minutes. Drain & mash with a fork then leave to cool.
3. Put the flour & baking powder into a bowl, add the butter & rub together until you get a breadcrumb-like consistency.
4. Add the pumpkin into the mixture then add the cheese & herbs. Also add enough milk to make a dough.
5. Sprinkle flour on to your work surface & knead the dough for 30 seconds.
6. Roll out the dough to a thickness of approx 3cm & cut out with a rounded cutter using up all of the dough. Place on the baking sheet & brush with milk.
7. Bake the scones in the oven for around 12 minutes, until they are golden, then leave on a cooling rack.

Pumpkin Chilli

1 small/medium pumpkin or 2 butternut squashes
4 tbsp olive oil
1 large onion
2 red peppers, chopped
3 garlic cloves, crushed
1 red chilli
1 tbsp chilli powder
1 tsp cumin
1 tsp cinnamon
2 tbsp tomato puree
800g chopped tomatoes
500ml veg stock
400g red kidney beans, drained
100g frozen sweetcorn
salt & pepper
2 dashes balsamic vinegar
1 large handful spring onions, chopped
1 handful jalapeno peppers, sliced
1 handful chopped fresh coriander
1 tub soured cream

1. Peel the pumpkin & cut into 1in thick pieces.
2. In a pan heat the olive oil over a medium heat, add the onion & red peppers & cook for 5 minutes. Add the pumpkin & garlic & lightly brown. Add the chopped chilli, chilli powder, cumin & cinnamon & cook for 2 minutes then add the tomato puree & stir well in.
3. Add the chopped tomatoes, veg stock, red kidney beans, sweetcorn, salt & pepper & bring to the boil.
4. Reduce the heat & cook for 45 minutes or until the pumpkin is tender.
5. When cooked add a dash or 2 of balsamic vinegar.
6. Serve with chopped spring onions, jalapenos, coriander & bowl of soured cream.

FITZHERBERT SCHOOL NEWS – NOVEMBER 2019

At the end of September we held a very successful MacMillan Coffee afternoon in school and we raised £165.91 for the this very worthwhile charity. Many thanks to all those who supported us.

Children and families took part in our Harvest Festival Service in Church at the beginning of October this was followed by the traditional harvest auction of produce, where there was some competitive bidding going on! The auction raised £250.50, this money will be donated to charity.

Our infant children have recently been pretending to be TV pizza chefs, learning how to film and edit videos on the iPads, as well as presenting their own cookery programme. They had lots of fun filming and making the pizzas (and eating them of course!)

On Friday 18th October the School Council and Mrs Fentem organised a Diabetes Awareness Day. The day consisted of a talk from a member of the Diabetic Society where the children could ask questions and learn about what it means to be a diabetic. The day also involved a range of activities including a 'Guess the number of Carbs in the Sweet Jar' for a donation of £1 per guess. The money raised went to Diabetes UK, a charity chosen by the School Council.

Our next 'Quiz Night for Grown Ups' will be held in school on Friday 15th November from 7.00pm. Quizmaster Checketts has written the questions and tickets are now on sale priced at £5 each including a chip cob and a pudding. Teams can have up to 4 players, but don't worry if you don't have a team as we will match you up on the night. There is a top prize of £40 for the winning team and all proceeds are going towards the whole school summer trip.

As a school we do not hold 'Open Days' like many other schools, but for us every day is an open day. We like visitors to see our school as it really is, so we are always happy to welcome new families to our school, anyone interested in looking around should contact us on the details given below.

If you would like any more information about any of the events mentioned then please get in touch, tel. 01335 350362 or more information about school can be found on our website: <http://www.fitzherbert.derbyshire.sch.uk/>

Important Notice - Suspicious Emails

We are aware of some suspicious emails that appear to be from clergy and even from Bishop Libby. Responding to the emails will result in requests for money or gift cards. **Please DO NOT reply to the emails.**

It is important that we are all aware and be vigilant to protect our online safety and security. We are not aware of any system security breach and are in the process of compiling some website best practice guidelines so that our churches can take action to greater protect themselves.

Steps to take if you receive a suspicious email

1. DO NOT reply to the email.
2. Check the email address of the sender – is it the same email address as usual?
3. Type in the usual email address of the clergy, rather than just hit reply. Better still, talk to them and check if they have sent this email.
4. Run a complete anti-virus scan of your computer.
5. If you have sent any money as a direct result of the email, please contact the Police to report the matter

Steps to take if you are the named sender of a suspicious email

1. Reassure any recipients that you have not sent the email and verify your correct email address.
2. As a safety procedure, reset your email password and any clergy portal passwords.
3. Run a complete anti-virus scan of your computer.
4. If you receive any reports of money being sent as a direct result of the email, please contact the Police.

Help for Village Halls

Rural Action Derbyshire (RAD) is delighted to be running its 2nd conference specifically for people who help run a village or community hall. The conference is on Friday, 8 November 2019 at The Post Mill Centre in South Normanton (M1 J28) from 9.15am until 3.45pm.

Village halls are often the community hub, the place where people get together for family celebrations, exercise classes or a regular meetings of groups or societies. They are big or small, new or old and could employ staff or just use volunteers to take bookings, manage the money and organise events.

Not only do halls have to maintain the physical building and comply with a whole range of legislation, they also need know the best ways to take advantage of their hall for the benefit of the community. Some enterprising halls are now establishing themselves as successful wedding venues too.

There will be four presentations in the morning:

- Improving long-term sustainability
- Investment for your village or community hall
- Communication, marketing and community engagement
- Planning, funding and building a new village hall

In the afternoon, delegates can choose two 45 minute workshops from the following:

Session one:

- Income generation & fundraising
- Planning for sustainable halls
- Online Booking Systems - what you need to know

Session two:

- Using digital to promote your hall, engage with your community and support your users
- Recruiting and retaining volunteers - how to get more people involved
- Broadband and the internet - why it's important, how to optimise it and how to find funding

Tickets are available through the Rural Action Derbyshire website at a cost of £35 + VAT (£45). There will also be a number of exhibitors at the conference all relevant to halls from insurance and booking systems to furniture and funding.

The Venerable Carol Coslett writes...

Remember, Remember....

It's November and the night is dark. Searching in all the cupboards for batteries for the lamps on our bikes - we only seem to use them once a year! Before Martin and I moved up to Derbyshire this had become a regular feature

of village life in the 3B's (Betchworth Buckland and Brockham in Surrey) - because it's the night of the huge annual Brockham Bonfire. Once the batteries have been replaced in the lamps and the tyres blown up, with creaks (from the bikes and our limbs) we wobble down the lane a mile or so and pass the snaking collection of all ages carrying flamed torches in the annual Bonfire procession. Over the river bridge into the throng that already covers the Village Green. In pride of place stood the 60 foot high circular bonfire that had been built up around a central pole over the last couple of months.

The folks are already buying their hotdogs, hog roast and cups of beer as we try to wind our way to the other end of the green where we eventually meet up with the previous shift of volunteers who are shaking their - gradually getting heavier – red buckets. We swap florescent jackets and they hand over the walkie talkie and we are left for a few hours to try and collect as many donations as possible for our church (the charities are various across the site).

The stats are amazing: 20,000 people gather round the village green, over 4 tonnes of fireworks are burnt (£20,000 worth) and around £20,000 is given away each year in donations on the night.

November is the month of Remembrance, and this year we might well be remembering that once we were part of Europe! But our church calendar gives us All Saints on the 1st November, remember All Souls on the 2nd, Guy Fawkes on the 5th and then those on our War Memorials on Remembrance Sunday on 10th and Armistice on 11th November.

Towards the end of the month we celebrate Christ the King, when we are reminded that Jesus came into this world as God's Son, was anointed but crowned with thorns to offer his life as a sacrifice for us on the cross, so that a kingdom could be born of Truth, Life, Justice, Love and Peace. Our world today so desperately needs this kingdom, where our world leaders talk truth, and where people of all faith and cultures can live in peace. Our bonfire traditions hearken back to an age where that was not so and yet how much have we moved on I wonder and what can our part be in shaping the future for our children and our children's children?

As Christians it is through our prayers, and a living relationship with God that can make the difference. How we live our lives giving time to God and showing love for our neighbour. For us still remembering and living our lives in the earthly kingdom, our comfort must be in allowing God to surround us with love and open our hearts to receive this love in our lives. God will always be with us, through all our remembering, our times of sorrow and joy if we only make the time.

Remember, remember!

The fifth of November,

The Gunpowder treason and plot;

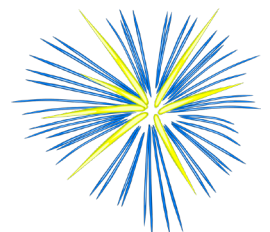

I know of no reason

Why the Gunpowder treason

Should ever be forgot!

The Venerable Carol Coslett

Archdeacon of Chesterfield

Congratulations and Welcome to our new Readers

On Sunday, 6 October 2019, four candidates were Admitted and Licensed by Bishop Libby as Readers at a very special service in Derby Cathedral. The service also served as a Thanksgiving for 50 years of Reader Ministry by Women.

Our special congratulations to:

Katherine Mary (Kate) Brookbank

Jacqueline Haywood

Anthony (Tony) Hill

Roberta (Bertie) Walker

In addition, Brenda Silcock, who was formally Licensed in the Diocese of York was given Permission to Officiate in the Diocese of Derby.

On a later occasion, Martin Cox, Licensed in another diocese will be Licensed to the Diocese of Derby.

Significantly, the service marked the retirement of Revd Canon Geraldine Pond as Diocesan Director of Vocations with additional responsibility for clergy well being and Warden of Readers.

Readers in the Church of England are lay people from a range of backgrounds and experiences who are trained and authorised to preach, teach and lead worship. There are more than 8,500 Readers actively involved in ministry in the Church of England today.

Men were licensed into the role in 1866, but it was over 100 years later before women were permitted to become Readers. Legislation was passed in 1969 and since then the ministry of both women and men as Readers has continued to be a vital part of the life of the Church of England.

The Bishop of Derby's Harvest Appeal 2019

In mid-March this year, parts of Manicaland, rich agricultural lands in eastern Zimbabwe, were devastated by Cyclone Idai. The cyclone brought rain, flooding and landslides, but worse was the devastation as a dam burst its banks sending huge rocks, some over 10 tons, down the valley, destroying homes, crops and livelihoods.

The Diocese of Manicaland provided shelter in their schools and churches in the aftermath, bringing comfort to the bereaved, care for the injured, and food for those who had lost everything before the larger agencies came with support. The church has worked closely with other agencies to ensure the most vulnerable were not left out.

But the church wants to do more. They are really concerned about the elderly and widows who are living in communal tents, often looking after orphans. The church would like to build them simple homes, away from the danger area. The government has offered land.

As a diocese, we will partner with The Diocese of Manicaland, who will provide cement, bricks and roofing sheets, which we will finance. The community will then contribute local materials and their labour to construct homes for their needy neighbours. Each home will cost around £900 to build. We are aiming to generate funding for 20 family homes which gives us a target of £18,000.

Can you help these vulnerable people to have a dry home, safe from future storms?

Donations should be made payable to 'The Bishop of Derby's Harvest Appeal' and sent to:

COLETTE

A beautiful period drama film, with Keira Knightley giving her finest performance. *Colette* (Keira Knightley) is transplanted from her childhood home in rural France to the intellectual and artistic splendour of Paris. Soon after, her husband Willy (Dominic West) convinces Colette to ghost-write for him. Colette, in turn, pens a semi-autobiographical novel about a witty and brazen country girl named Claudine, sparking a bestseller and a cultural sensation. After it's success, Colette and Willy become the talk of Paris and their adventures inspire additional Claudine novels. *Certificate 15*

Guardian **** "Keira Knightley delivers a playfully sly, subtly nuanced performance... Beautifully shot by cinematographer Giles Nuttgens, .. Colette convincingly conjures a late-19th/early-20th century milieu, to which it adds a thoroughly modern sensibility."

COFFEE MORNINGS

The morning of Wednesday 16th October was really wet and miserable so we were not expecting a very good turnout. However, most of our regulars came and we also had two visitors. Despite the weather it was a really bright chatty session and I think everyone enjoyed it. True to the known generosity of the people of Thorpe, this small group donated **£54.00** to the charity *Readycall Macmillan*. And to round off a really pleasant morning, when we left the Village Hall the sun was shining and it was a lovely mild day. I was away for this Coffee Morning but Julia Crosby has kindly described what happened on the day. A further **£15.00** has been contributed by those who were not able to be present. *Readycall Macmillan* provides help to people in the Derbyshire Dales who are affected by cancer or other life-limiting conditions.

A letter was received from *The Farming Community Network* to thank everyone “for the wonderful donation in support of their work” which was raised at the September Coffee Morning. The letter sent by Helen Armitt-Warnes, Administrative Assistant, wrote in her letter: “It is reassuring to us that FCN has been chosen to benefit from your fundraising efforts as it gives us confidence that we are beginning to further increase awareness, both of the issues that are impacting our farming community and also of the support which is available. However, this would not be possible were it not for the kindness and generosity and hard work of people such as yourselves”.

Future Dates: November 20th and December 18th both Wednesdays in the Village Hall at the usual time between 10.30 am and 12 noon. In November, Clare Sales will come along and bring a variety of *Traidcraft* items such as food, Christmas cards and gifts for us to buy. Please do come along. Everyone is most welcome.

THORPE VILLAGE HALL NEWS

On Saturday 12 October, locals and visitors gathered at a Bric-A-Brac fundraising event held in Thorpe Village Hall. A wonderful selection of generously donated items provided a fun shopping experience and the tea, coffee and cake provided just the right amount of delicious refreshment. Huge thanks to Beverly Bock for organising the event and to the most willing group of volunteers who set up, served up, boxed up and baked up a storm. An amazing total of £614.20 was raised and will go towards the future renovation of our village hall.

Gill Frith has recently announced that, after a period of nearly 30 years of being involved in village hall duties, she has decided to step down from her roles as Bookings Secretary and Caretaker. Sincere thanks to Gill for her long-standing contribution and we all wish her the very best. Beverly Bock has kindly agreed to take on the role of Bookings Secretary from 1st November and can be contacted on: 350665 or beverlybock@btinternet.com

Grateful thanks to Councillor Fitzherbert for awarding £300 (from his District Councillor Local Projects Fund 2019/20) towards the cost of replacing 9 cracked window panes in our village hall. A few days of fine weather allowed this work to be done during the middle of October.

As always, thanks to everyone for your continued support of the village hall (including my husband and his ladder).

Macmillan Coffee Morning Friday 27th September.

The day is one of Macmillan Cancer Support's biggest fundraising events for people and families facing cancer. Cancer can affect every aspect of a person's life, from their day-to-day living and relationships to their finances and mental health. Macmillan is there to help people with cancer live life as fully as they can. Despite the rain, we had an excellent turnout as the community of Thorpe (along with a group of walkers led by The National Trust) came together to catchup with friends, drink coffee and eat cake in support of this very important charity. Thank you to all those who attended, and those who were not able to but still gave very generous donations, helping us to raise an amazing £731.03! Thank you to Allison, Annette, Denise, Irene, Janneke and Jayne for your delicious contributions of cakes and biscuits and to Liz for the 'Guess the weight cake' won by Gill Frith.

FELLOWSHIP SOCIAL

Prior to the Advent Fellowship Meetings, St Leonard's Church are hosting a social evening, where all are welcome to come and join us for a drink and a nibble and a chatter. Before those really cold winter nights start to kick in.

**At Thorpe Village Hall on
Thursday 7th November 2019 at 7:30pm**

Looking forward to seeing you on the 7th.

The Thorpe Ministry Action Plan (MAP) St. Leonard's is listening Vibrant in our Villages

Again many thanks for all of you that took part in our survey, apologies it has taken so long to give you feedback on our final plan. Led and guided by Rev Alan Griggs we put together a simple plan this was presented to Rev Carollyn's "Away Day" at St Oswalds for further feedback. Our final version will be presented to all Parishioners at Thorpe Village Hall 7th November (note details of the event are to be found in the magazine) , this will be part of a Fellowship meeting where all members of our community are welcome to join Clarke and Irene Lomas who are organising the event. We would very much like your help in organising some of the community events that you have suggested, such as a history of Thorpe and it's community, developing an interactive guide for the Church and the village. Could we restart a community choir? The tremendous support for our Harvest Supper, Macmillan coffee morning and recent Bric a Brac sale show that for a small community we can come together and raise substantial sums for very worthwhile causes.

Please come along to the Fellowship meeting and share your ideas and give your support.

NOTES FROM THE HALL

NOVEMBER 2019

Christmas at Tissington Hall

22nd November - 8th December 2019

'Star of Wonder' is well under way to being finished for our Opening Saturday. The dates we are open from 11-3pm are:

Sat 23/Sun 24 November

Sat 30 /Sun 1 December

Sat 7/Sun 8 December

This year we are using the top floor of the Hall for the first time and children may well bump into Olaf and Elsa. We look forward to welcoming you then.

British Telecom Pole at Home Farm

Carole & and Ken were rather surprised to find this rather huge pole by the side of their property a couple of weeks ago. Neither the parish Council or the Estate had been contacted about its imminent erection and so we are now on the case to have it removed. BT were at great pains to apologise for the inconvenience.

The Ford during the Wet Weather

After the recent heavy rain please do not attempt to go through the ford. The Memo is 'If you Cannot see the 1 foot marker then do NOT attempt to drive through'. Last week I took a photograph of the 2 foot marker submerged so please be careful.

Also please do not drive on the verges in this sodden weather. It makes a great mess and is not appreciated by the farmers.
